

Notice to the Parents on ICSE – EXAM CHOICE – 2020 due to COVID – 19 Pandemic.

Dear Parents,

This is to inform you the Council decision dated 15th June, 2020 and to collect the option your son/daughter has taken voluntarily between the two following options offered by the council, regarding the examinations for the remaining subjects, to be held in the month of July, 2020. The Council has offered two options taking into consideration the possible risk of contacting the COVID – 19 Virus to the students. **The option, your Son/Daughter has taken must reach the School before 20th of this month (June) so that we can send it to the Council in right time without delay.**

- 1. First Option - The student will appear for the Examination scheduled to begin in the month of July as per the already announced schedule of 22nd May 2020. The result will be as per the marks obtained in the attempted examinations. If in case the examination in July gets cancelled, then the result will be awarded as per the performance in the pre-board examination for those postponed subjects. In Short: Option – 1. I WANT to appear for the examinations in July 2020.**
- 2. Second Option – If a student or parents is apprehensive of contacting the virus and does not want to appear for the remaining examinations they can do so. In such instance, the final result of that student will be declared by taking into consideration three aspects – The marks obtained for the pre-board examination for those subjects for which he/she has not appeared for exam in the month of July; and the internal assessment marks and the performance for the subjects for which he/she had already appeared in the month of March. In short, Option - 2. I DO NOT WANT to appear for the examinations in the month of July.**

I request the students to give your option on the following application Form by putting a tick mark before the selected option.
